# Minutes of the Parish Council meeting duly convened on 19<sup>th</sup> November 2024 at 7.30pm In the Church Room

| 10. | Tennis Courts/SportsCourts  |
|-----|---|
|     | Cllr Gilgrass reported that the cleaning of the Courts had taken place (payment agreed at item 6e with the              |
|     | Tennis Club paying 50%). It was unanimously agreed by the Councillors that a donation of £60 be given to                |
|     | the Friends of Brightwell School to reimburse the school for the water used by SportsCourts.                            |
|     | He had previously reported that the court surface was in need of significant repairs/replacement. He was                |
|     | in the process of drawing up a formal agreement with the Tennis Club regarding financial responsibilities               |
|     | for maintenance.  |
| 11. | Millennium Wood   |
|     | Following information provided by Steve Colam (see October minutes) it was unanimously agreed to trail                  |
|     | a wildlife camera at the Millennium Wood for 6 months. The costs of the camera, SanDisk and batteries,                  |
|     | totalling £167 would be borne by the Parish Council.  |
|     | Cllr Davys informed the meeting that following the recent clearing of the wood he had spoken to the                     |
|     | Environment Group who keen to see the woods maintained rather than allow to go wild. Steve Capel-                       |
|     | Davies and Paul Chilton agreed that they would mobilise the group to organise an ongoing programme of                   |
|     | maintenance. Cllr Davys agreed to monitor progress.   |
| 12. | Verge Maintenance   |
|     | Prior to the meeting the Councillors had been made aware of the anonymous removal of the logs                           |
|     | protecting the verge along Bell Lane (see D. Dobbin's Public Participation). It was unanimously agreed                  |
|     | that logs should be temporarily reinstated (Cllr Debney to contact Dave Cottrell) to prevent further                    |
|     | deterioration of the verge (signage to be placed informing the public this action has been carried out by               |
|     | the Parish Council).  |
|     | It was also unanimously agreed that Arrow Fencing should be approached to quote for the erection of 2                   |
| 12  | foot posts to allow for a more permanent solution.  |
| 13. | Shop Lights - Vandalism   |
|     | Following the tampering of the security lights on the shop and village hall it was unsure as to whether this            |
|     | was vandalism or a pre-cursor to a potential robbery/break-in of the shop/village hall. The Shop are                    |
|     | looking for replacement lights as the tampering has caused irrevocable damage. It was agreed that the                   |
|     | Parish Council would post concerns on Facebook and address the issue in the next Villager.                              |
| 14. | Succession of Parish Councillors  |
|     | Cllr Robson expressed her intention to resign from the Council at the next election or sooner if the                    |
|     | opportunity arose. Four other Councillors also indicated that this would be their last term in the role of              |
|     | Councillor. It was agreed that a "staggered" approach to resignations would be preferred and Councillors                |
|     | should be looking for people to co-opt onto the Council as soon as possible. Cllr Robson will add this                  |
| 45  | subject to her Villager submission.   |
| 15. | Village Hall  |
|     | Cllr Gilgrass reported that a professional fundraiser had been engaged on favourable terms. They will                   |
|     | have a basic programme in place by the end of the year. Next steps will be the engagement of consultants                |
|     | to draw up detailed designs.  |
| 16. | Recruitment   |
|     | Following successful references the appointment of a new Clerk had been finalised with Jeanette Gray                    |
|     | (Nettie) taken up the role from 1 <sup>st</sup> January 2025. Nettie had visited the Clerk's office that day to begin a |
|     | handover programme. She would be visiting the office several times over the next few weeks and will                     |
|     | attend the December Parish Council meeting.   |
